

Dear Arizona Psychologist,

Being isolated from your colleagues can often feel lonely and leave you out of touch with the state of your profession. Don't let that continue to happen!

AzPA is offering you a one-time pass, a **TEST DRIVE AZPA** card for you to experience the value of an AzPA membership.

Use this card to access **one** of the following **MEMBER ONLY BENEFITS**:

- One CE event at the member rate (not including annual convention)
- Receive one month of the Arizona Psychologist (monthly newsletter)
- One classified/job board listing at the member rate OR one newsletter ad at the member rate
- Participation in one peer support group

AzPA is the organization **FOR YOU**... we work hard to help protect you and the profession. Your efforts and financial contribution to assist us comes back to you in many ways. So please, consider using your **ONE TIME PASS** to experience a member benefit, and then join your colleagues who have contributed to AzPA to work for you and all of psychology.

To use this one time offer, contact our Administrator, Daphne Stokes at admin@azpa.org, mention this announcement and she will assist you in claiming your member benefit.

This offer is valid through September 30, 2020.

Sincerely,

AzPA Governing Council
